

BRAG book™

Before and after management tool, plug-in for Word Press websites

Responsive and branded for your practice, it's the most robust self-managed, before and after gallery in the industry.

- **Powerful search engine optimization**, each patient set is a "new page" with unique URL so the search engines can crawl each page
- Packed with user-friendly features: tap-to-enlarge photo, easy bulk upload and watermark tool
- No-hostage policy, data moves with you
- Available as a WordPress plug-in and stand-alone tablet app
- The MyFavorites tool delivers leads to your inbox
- Easy to install, easy to use

BRAG book streamlines managing your gallery and gives you control.

Pricing

One-time activation fee \$400

Annually \$1,200 (less than \$5 a day)

"Save time, money and frustration with BRAG book."
